2018 Plastics in Automotive Show

The 2018 Plastics in Automotive Show, held in Detroit, Michigan, features the worlds largest auto market (according to Plastics News) and showcases the latest in automotive trends.

Process Control Corporation led by National Sales Manager Jim Collins (far right) exhibited the latest in Gravimetric Blending and Material Handling Systems for the plastic injection molding process.

In 2018 Process Control Corporation enjoys over 50 years in business supplying auxiliary equipment to the plastics industry!
